I think a new deadline of 4/9/21 is reasonable for Mary's scheduling. Is that ok with you both? I will let her know, if so.

Thanks,

Michele

Thank you. I note that your letter includes a 14 days response deadline. Unfortunately, I am not going to be able to turn my attention to these matters within the next two weeks based on other work load and scheduling issues. I don't understand the urgency to respond since it has been more than a year since the site visit, but I should be able to reply by the week following Easter (April 4). Please confirm by reply email that a response deadline of Friday, April 9, 2021 is acceptable.
